2017: 900,000 DKK Rigshospitalet, Research grant.

International collaborations 2008-2018

Familial hypercholesterolemia: Gerald F. Watts; University of Western Australia, Perth, Australia.

Familial hypercholesterolemia: European Society of Atherosclerosis Familial Hypercholesterolemia Studies Collaboration, co-investigator.

Oxidised LDL cholesterol: Katariina Oörni, University of Helsinki, Finland.

Mendelian randomization: Debbie Lawlor, Tom Palmer, Nicolas Timpson, George Davey Smith, University of Bristol, Bristol, UK.

Metabolic syndrome: Robert Clarke and Richard Peto, Clinical Trial Service Unit and Epidemiological Studies Unit, Nuffield Dept. Clinical Medicine, Radcliffe Infirmary, Oxford.

Cardiovascular disease: John Danesh, University of Oxford, Oxford, UK.

Diabetes risk: Mark I. McCarthy, University of Oxford, Oxford, UK.

COPACETIC: Chronic obstructive lung disease. Joanna Smolonska, Cisca Wijmenga and Marika Boezen. University of Groningen, University Medical Centre Groningen, Department of Genetics, Netherlands.

Supervision of students and academics

Start	Name	Type of student	Role
2005	Lasse S. Ravn, MD	PhD student	Project supervisor

Curriculum vitae, Marianne Benn

2005	Alex Hørby Christensen, MD	PhD student	Project supervisor
2005	Pia Rørbæk Kamstrup, MD	PhD student	Project supervisor
2005	Jacob J. Freiberg, MD	PhD student	Project supervisor
2007	Haya Nicole Holmegard, MSc	PhD student	Project supervisor
2009	Sarah CW Marott, MD	PhD student	Principal supervisor
2009	Anette Varbo, MD	PhD student	Project supervisor
2010	Jolanta Klovaite, MD	PhD student	Project supervisor
2010	Peter Brøndum Jacobsen, MD	PhD student	Project supervisor
2010-	Sarah CW Marott, MD	Post doc	Principal supervisor
2011	Haya Nicole Holmegard, MSc	Post doc	Principal supervisor
2017-	Frida Emanuelsson	PhD student 01-01-2017 -	Principal supervisor
2017-	Christian Schouenborg	Economics student	Project supervisor
2017-	Martin Lucas Jørgensen	Economics student	Project supervisor

Evaluation of PhD dissertations, doctoral theses, and MSc thesis

Year	Student	University	Role
2010	Marianne Solhøj Nørskov	PhD, Copenhagen University	Opponent
2015	Samuel Adamsson Eryd	Doctoral thesis, Lund University	Opponent
2015	Rakel Fuglsang Johansen	PhD, Aarhus University	Opponent
2015	Mette Christoffersen	PhD, Copenhagen University	Committee chair
2015	Anne Hedengran Nedergaard	MD MSc, Copenhagen University	Faculty assigned examiner
2016	Katrine Rasmussen	PhD, Copenhagen University	Committee chair
2016	Liv Jorun Mundal	Doctoral thesis, Oslo University	Opponent
2017	Anders K Brøndberg	PhD, Aarhus University	Opponent
2018	Gisle Langslet	Doctoral thesis, Oslo University	Committee chair
2018/19	Anne Orholm Nielsen	PhD, Copenhagen University	Committee chair

Invited presentations

More than 30 invited talks at international meetings.

In 2016-18 lecture at PCSK9 forum, European Society of Cardiology, Italy; University Hospital of Geneva, Switzerland; a political consultation on Familial Hypercholesterolemia, Christiansborg, Denmark; XXXIII Meeting Society of Internal Medicine, Andaluza, Cordoba, Spain.

International research societies

Faculty and board member of the Scandinavian Society for Atherosclerosis Research 2012-2018.
